HEAD OF SCHOOL: MRS BERNADETTE GALLOWAY

7th October 2021

Dear Parents and Carers,

I am aware that there is some concern about a recent incident and some general unsettled behaviour that has persisted for some time in Year 3. I understand your concerns and would like to inform you that after discussing the situation with governors, we are placing extra resources into the year group. From tomorrow, there will be an additional member of staff allocated to Year 3 and this person will help to ensure that the children learn the necessary social skills for cooperative learning and play.

I would like to ask for your support and patience so that any issues are swiftly resolved. Please use the school systems (email, phone, speak to the teacher) if you have any concerns. Please refrain from discussing individual children on social media platforms because this can create safeguarding issues.

Thank you once again for your help. The school community is our most treasured resource and if we work together we can make sure that every child is supported.
