HEAD OF SCHOOL: MRS BERNADETTE GALLOWAY

28th September 2021

Dear Parents and Carers,

We would like to inform you that over the next few weeks we will be teaching the children about puberty, relationships and reproduction. This consolidates and builds on what they learned in Y5.

In PSHE we will be using our new Life to the Full resource which allows us to deliver weekly sessions. The next few weeks will cover the following, one session per week:

- Girls' Bodies
- Boys' Bodies
- Spots and Sleep
- Body Image
- Peculiar Feelings
- Emotional Changes
- Seeing Stuff Online
- Making Babies
- Menstruation

Our new resource offers a Parent Portal which gives you access to an overview of each session we teach in school. If you wish to access this, you will need to click on the link below and log in using the following username and password:

<https://www.tentenresources.co.uk/parent-portal/>

Username: our-lady-ch49

Password: deplearning-22-ch49

NATIONAL CENTRE FOR EXCELLENCE
IN THE TEACHING OF MATHEMATICS

Once logged in you should be able to easily find the Y5/6 units of work. The sessions mentioned in this letter are all in Module 1: Created and Loved by God. They are in Units 2, 3 and 4 so you will need to click on each of these units within the module to access them.

By having a look at the session plans you will know exactly what your child will be learning and will also be fully prepared for discussions and questions that are likely to arise!

We hope you find having access to the session plans useful. If you have any difficulties trying to access these or have any concerns about what we will be teaching, please let us know.

Kind regards,

Year 6 Teachers
