HEAD OF SCHOOL: MRS BERNADETTE GALLOWAY

Dear Parents and Carers,

Ukraine Appeal

In response to many requests from the children, we are launching an appeal to support families affected by the situation in Ukraine. Today your child will bring home an envelope for your donation. As always, your children show incredible levels of kindness and empathy; always wanting to help those who are less fortunate.

Trips and Visits

After a long wait, teachers are now able to book trips and visits for the children. Year 5 children have just experienced a brilliant drama workshop and a trip to see Hamlet. Year 4 will be going to a concert in the Philharmonic Hall, and there will be trips to different destinations for every class. Please support us by making the relevant contribution for the trip. We simply cannot fund these experiences without your generous help.

History Homework

The response to the history 'take-away' has been incredible. Thank you for supporting your children in these creative tasks. We know that it isn't easy but it creates a lovely buzz of excitement when the children arrive in school with their creations. The work will be displayed in the corridors for all the children to see and will eventually make its way back home!

Book Fair

Next week sees a return of the Usborne Book Fair. The stall will be on the playground on Monday and Tuesday and gorgeous books, jigsaws and other items will be on sale.

Volunteers

Now that the restrictions are easing, we would like to recruit volunteers to help in school. If you have a few hours to spare each week or think that you could help us in other ways, please email the school office. We would like people to help with reading, computing/coding, practical lessons, administration and many other tasks. No experience is necessary, just a DBS (organised by school) and a willingness to contribute to the school community.

We continue to ask for your prayers for Miss Adams, Year 5 teacher and Mrs Gillbanks, teaching assistant, who are both seriously ill. At times like this we draw strength from our school community, we look afresh at the joy and energy we see in the children, and we place our trust in God.

Best wishes,

Bernadette Galloway
