Dear Parent/Carer,

School Milk – Cool Milk

Milk orders and deliveries are managed by Cool Milk and you will need to set this up yourselves. The milk is refrigerated and the fridges are supplied to the school by the company.

FAQ's

How do I register my child for school milk?

Register online (www.coolmilk.com) or complete the paper form at the end of this letter and post yourself to Cool Milk. Soon after this you will receive a payment request.

Do under 5's still get free school milk?

Yes, free milk will continue until the Friday before your child's 5th birthday – school will order automatically for your child unless you inform us otherwise. You need to register with Cool Milk, who will send you a payment request three weeks before their fifth birthday which will need to be paid if you wish your child to continue to receive school milk.

How much does Cool Milk cost?

Cool Milk costs approximately £15 per term.

How do I pay for Cool Milk?

You can pay either online, over the phone, at a local PayPoint or by cheque in half-termly, termly or annual instalments direct to CoolMilk.

You will need to pay by Tuesday 5pm for your child's milk to start the following week.

My child is entitled to a free school meal, can they have free school milk too?

Yes, if your child is entitled to **statutory free school meals and milk** where parental income is below levels stated by Wirral Borough Council. Full information is on the council's website or phone: 0151 606 2002. Your child must be registered with the council in order for our school to provide the free meal and milk and we will order milk for your child automatically unless you inform us otherwise.

Yours sincerely,

Mr Mark Cotton
