WISHING YOU A HAPPY AND HOLY CHRISTMAS

O Holy Night...

This Advent, every child has taken a 'travelling crib' home for a night - we have had the most beautiful photographs and emails in response, as children took the crib meaning to heart; blessing homes and praying for loved ones in the light of the nativity figures.

Each class also made their own Advent wreath. Each child fashioned a holly leaf out of plasticine, very carefully. As they created their leaf, they thought of one person for whom they wanted the class to pray.

Advent culminates with the Nativity performances and carol concerts. As ever, the children's pure hearts and poignant performances take our breath away.

Thoughts and prayers from Year 3

Serve with God's gladness!
Be a servant to each other;
Love one another.
You are the lamb to God's sheep;
You are the apple to God's tree;
You are the star to God's galaxy.

Help me to love and respect others,
Help me put smiles back on faces,
Help me turn all darkness into light,
Make those who despair have hope,
And help me make the world a better place.
